URFA would like to send one member to the 5-day school, starting **Monday May 6-10, 2019**. It will be held in Moose Jaw, SK at the Temple Gardens Hotel & Spa. The registration fee (which includes hotel accommodations and some meals), travel costs, and meals that are not provided at the school will be covered by URFA.

At the school there will be childcare provided to children aged 12 and under by professional childcare workers. This is intended for delegates who do not have regular or alternate care available to them. Only pre-registered children will be accepted at the school.

Members who attend conferences as URFA representatives are required to prepare a written report to the Executive, within two weeks of the event’s conclusion. The structure of the report is detailed in the **URFA Conference and Delegate Expectation Support Policy** as well as other important information (please read carefully).

If you would like to be considered to attend the school, please provide your name and a **brief summary** on the following to URFA at urfa@uregina.ca by **Noon on Thursday, January 31, 2019**:

- your reasons for wanting to attend the school, and

- the contributions you would provide to URFA for the benefit of members as a result of your attendance

The URFA Executive Committee will review the submissions and make the final decision. Preference will be given to interested members from the Council of Representatives and the URFA Standing Committees.

We hope you will take advantage of this great opportunity!
