Help Us Avoid a STRIKE

Contact:

President Vianne Timmons (president@uregina.ca) and let her know you support a fair agreement for U of R Academic Staff.

Sincerely,

Your professors, librarians, sessionals and instructors

Our working environment is your learning environment
Professors, librarians, sessionals and instructors want to keep teaching and supporting students.

The University insists that they can't afford to negotiate a fair agreement despite raising tuition by 36% in the last decade while giving themselves an average raise of 22% since 2013.

Since 2009, enrollment has increased by approximately 33% while faculty have increased by 4.4%. The number of out-of-scope administrative employees have increased by 14.7% over the same period.

Students deserve to get what they are paying for. Let President Vianne Timmons know you support a fair agreement for U of R Academic staff.
